APPRAISAL CHARGES

(EFFECTIVE 01/01/14 UNTIL REVISED)

Charges for appraising are figured at \$180 per hour, charged in quarter-hour increments. We charge for actual work time, which includes work done on site plus research/compilation time off site. We will be happy to quote an estimated total charge prior to beginning work so our clients will know and can anticipate total charges.

Photography is charged at \$1.00 per photograph for 35mm color photographs, printed as 4" x 6"; higher charge for larger sizes. We also shoot digital photographs; charge provided upon request.

Travel time is charged at \$90 per hour, charged in quarter-hour increments. Long distance travel is charged at \$90 per hour plus expenses, including rental car, plane, lodging, and meals. We will provide a written estimate of all such anticipated expenses upon request.

Payment is to be made on the same day the on-site work is performed, unless we have agreed to an invoiced payment plan. We accept cash or check. We also accept VISA/Master Card with a 5% surcharge. We do **not** furnish completed appraisal work until all charges have been paid or unless a "Promise to Pay" statement has been filled out, signed, and received.

Deadlines should be made known to us before work is engaged. We will either pledge to meet the client deadline or decline to perform the work so that we will not be late for our clients.

Court appearance and testimony for litigation is charged at two rates: \$300 per hour or any fraction thereof for courtroom testimony, while time spent working with attorneys/clients or sitting at the courthouse is charged at \$180 per hour. Court appearances and/or testimony must be paid on the same day as they occur if not prepaid. For bankruptcy cases, payment must be in cash.
